

include/global_msgs.hpp

```
graph TD; A[include/global_msgs.hpp] --> B[mbed.h]; A --> C[common/mavlink.h];
```

The diagram illustrates a header file dependency. At the top, a box labeled 'include/global_msgs.hpp' has two blue arrows pointing downwards to two separate boxes. The left box is labeled 'mbed.h' and the right box is labeled 'common/mavlink.h'. This indicates that 'include/global_msgs.hpp' includes both 'mbed.h' and 'common/mavlink.h'.

mbed.h

common/mavlink.h
